

US Senior Pickleball/SSIPA – FAQ's

What is US Senior Pickleball?

USSP is a division of SSIPA for players living in the United States.

What will happen to SSIPA?

SSIPA will continue, but, as the international division of the non-profit corporation.

Will I now need a membership in US Senior Pickleball and SSIPA?

No, all current SSIPA members will automatically become members of both USSP and SSIPA.

Will other association memberships be required to play in USSP tournaments?

No, only membership in USSP will be required.

Will USSP sanction tournaments?

USSP will approve quality tournaments to be listed on the website and be included as a circuit event. No other sanctioning process will be followed.

What software system will be used for tournaments?

PickleballBrackets.com will be used for circuit events. This software is being used successfully in the US, Canada and Australia.

How will this system affect my ratings as a player?

PickleballBrackets.com has a seamless built-in ratings system that has been customized for senior players. This system has been tested and verified. USSP will have the ability to adjust this rating system to meet the needs of our members.

Will membership costs increase for USSP members in 2022?

Membership cost will remain at \$20 per year and multiple year membership options will remain the same for 2022.

When will USSP come into existence?

Changes will take place on 1/1/2022.

How will the website be affected?

The new website address will be USSeniorPickleball.com or .org. The new site will have a link from SSIPA-PB.org and will be available later this year.

How will US Senior Pickleball/SSIPPA operations be affected by these changes?

This non-profit association will continue to run in a fully transparent manner with all financial records posted on the website and open board elections voted on by the membership.

Why USSP?

Seniors have been the bedrock and foundation of pickleball since the start of pickleball's unprecedented growth. Senior players deserve the respect and service that can only be given to them through an organization like US Senior Pickleball. USSP is being built by seniors for seniors.

Come join the senior movement today for a better tournament experience.

Please share this document with as many groups, clubs, associations, pickleball websites as possible to help create a brighter future for all the deserving senior pickleball players.
